TO: Regulated Handlers – Southeast Marketing Area
FROM: Market Administrator, Atlanta, Georgia
SUBJECT: Change In Administrative Assessment Rate

Effective with January 2004 milk deliveries, the administrative assessment rate for the Southeast Federal Order No. 7 will be increased one cent to 4.5 cents per hundredweight. This increase is necessary due to the declining milk production within the area and the need to reflect contemporary costs of administering the order since the last increase in January 1998.

The marketing service rate of 5 cents per hundredweight will remain unchanged.
